

Community Group Award

This year's community group award is for a group who make a huge contribution to Hatherleigh, but many of us don't know much about them, or even who is involved.

Their role is very important however, and if they didn't put in all the effort that they do, people would really miss it.

The size of the group varies depending on what other commitments people have, but there is a core of committed people who are always there and willing to get involved.

As a group they are only in existence for a few weeks a year, but plan and design things during the year. Often out in all winds and weathers they spring into action after Carnival, before disappearing again after new year. Their dedication to their task is admirable and everyone in Hatherleigh gets to enjoy the outcome.

One last thing that I have been asked to mention is that they do like tea and coffee while they are working, so please don't be afraid to offer.

The 2011 Community Group Award goes to the Christmas Light Team; Robin and Mark Wonnacott, Adrian Drew, Richard Tidball, Ian Trenaman and Richard Jones.
