Hatherleigh Covid-19 Volunteer Group as reported last month they all continue to do an excellent job.

Island park remains closed. Toddler park will remain closed until the refurbishment has taken place.

It was agreed Mr.Peters can to return to work from 13th May as he works alone but to strictly follow Government guidelines to protect himself and others.

Maintenance Issues:

Further correspondence was sent to the residents at Moor View and to their consultancy firm requesting the removal of their rope and stakes to free up this public area once again and allow

the council authority to return to upkeeping the area.

Financial Issues: we approved our annual accounts for the year ending 31st March 2020. Emergency regulations have come into force regarding the auditing of accounts allowing the publications to be much later in the year.

Can we please remind residents:

NOT to leave their rubbish bags by litter bins outside of collection times, this is fly tipping; to clear up adjoining pathways after they have trimmed their hedges and trees; and to take in their recycle boxes once emptied and not leave them out cluttering the pavements.

Parish Pump: this report usually appears in the monthly magazine. This month's edition is to be reduced and our contribution is to express thanks to our key workers and residents.....

Hatherleigh Town Council would again like to take the opportunity to say "Thank You" to everyone in this parish who is helping to keep everyone safe and well.

We are also grateful to all residents for trying to follow Government guidelines, we all know it has not been easy. With the relaxing of some of the rules please be aware of the 2 metre distancing that will probably stay in place for the foreseeable future.

There is also information relating to the current situation on West Devon Borough Council and Devon County Council websites.

Please stay safe and "be alert", we will see you on our Thursday night doorstep clap for the NHS and all key workers.

Space is short here. A full account of meetings are available in the minutes on the Town Council website [temporarily not on noticeboard]
