### **Hatherleigh pays tribute to Phyllis Cole.**

Phyllis Mary Cole (nee Blackmore), following a short illness, passed away peacefully at Hospiscare, Searle House in Exeter on the 21st July at the age of 82, surrounded by her family.

Phyllis was a regular face at the old Market and the Coffee Mornings, always with a lovely smile and enjoying meeting up with friends and having a good chat and a laugh. Our condolences goes to the family and her many friends.

### **Hatherleigh Pays tribute to Norman Moorcroft**

This tribute was compiled with words and thoughts from Norman's many friends. He was a true gentleman and a hardworking genuine man.

It was a sad loss for the Hatherleigh community as a whole after hearing the very sad news that Norman had passed away. He will be sorely missed by everybody who knew him and took him into their hearts.

On a personal note, he was a great asset to the Community Centre, where he worked for many years. Norman would love to stop and chat to anybody when he was busy locking up, as he loved people and their company. He was cheerful, always smiling and willing to give a helping hand. The Centre won't be the same without him and the Trustees and staff will all miss him terribly and remember him with great fondness.

He was also Island Park's litter picker – always smiling picking up other people's rubbish in all weathers. A top chap always out no matter that the time of year or weather forecast.

He always took care in his appearance often wearing a tie. He was an absolute diamond – always giving. A lot of us will miss his homemade jam! He was such a nice regular bloke.

We must try and emulate his kindness and consideration. We need more Norman's in this world. We all join together in sending love and sympathy to his family. Rest in peace Norman you were a true legend and are now reunited with your beloved Joan.

We hope everyone is keeping well and safe.

Thank you to all our advertisers who continue to support us.

## The Pump Team

**Hello Everyone,**

The summer has seen restrictions lifted, I hope everyone is keeping safe and well.

As we come to the end of August, the summer holidays finish, and a new school term begins. We begin to now look forward to Halloween, fireworks and hopefully... a Carnival.

It was lovely to once again hear live music in Hatherleigh from the successful **Hatherleigh Unlocked**. Well done to all the team behind the scenes.

Have a look to see who our **'Junior Blogger'** is this month on **page 13**. Check out the activity page on **page 49**, can you work out the answers? We also welcome back Tuckers plot in this months issue, see **page 39**.

Another big thank you to Christina Knights who has yet again provided us with an amazing seasonal front cover. I hope everyone will appreciate the **coloured cover**. I think you will agree that seeing the cover in colour is so much better.

Remember Hatherleigh Market is on every Tuesday.

Please continue to support all our local shops and businesses.

**Keep safe and Best wishes to you all!**

**Hello again, and a happy September to you all.**

At last we've had some chances at having fun together after what seems like an age. My thanks to the organisers of 'Hatherleigh Unlocked' and the 'Made-Well music day' for taking the risk of putting these events on which brought so many of us together. Human 'togetherness' is so important for our well-being on so many levels. I believe God designed us for relationship, for it is in our connection with each other, and with God, that we discover who we truly are. The full impact of the long-term isolation that so many of us have had to endure may not become fully apparent for some time to come, but I think we will all have our work cut out caring for one another as we go on from here.

Of course, this month will see the return to school of our children, teachers and school communities. I am very aware of some of the difficulties that our schools went through last term after so much disruption; I encourage you to pray with me for our schools as they return; for patience, strength and endurance for all the staff and a new sense of safety and belonging for students and staff alike. Here in Hatherleigh we have been running a 'youth Café' on Thursday evenings, 7-9 in Old Schools, as a drop in for anyone aged 14-20. This is intended as a safe space with some games, food and company and an opportunity to talk to safe, trained adults if needed. Please make your family members aware that this is available.

Church wise, we have been enjoying the opportunity to sing at last and our church gatherings have begun to feel like the real thing again, even with some ongoing care measures in place. I would like to flag up our monthly Evensong service, 4th Sundays at 6.00 p.m. for those who enjoy some 'traditional church'. We have been cheered along in these by our newly formed choir who give the evening a real lift.

On the subject of music, we are on the lookout for musicians to join our worship band, so, if you enjoy worshipping God and play an instrument, please get in touch. Singing and music are central to our identity as humans, not just the preserve of 'experts' or superstars. They are also central to our expressions of worship and love to God. The Psalms in the bible are full of encouragements to 'Sing to him, give praise to Him, tell of His wonderful acts' [Ps 105:2] so now that we can, let's do it! Don't worry if you think you have a dreadful voice or can't sing in key; God loves to hear us anyway. Never mind the tune, just add volume!

**With my love to all, Leigh.**

Before the Friday night Youth club can start up again we need to establish a new committee as some of the team are stepping down.

Currently the committee is Vix Jevons, Steve Smallacombe, Alan Flack and myself, with additional parent helpers we've run the Youth club. Unfortunately, Steve, Vix and Alan are no longer able to continue due to relocation and other commitments.

I would like to take this opportunity to express my gratitude for all the help, time and effort Vix, Steve and Alan have given in running the club. There is no doubt that you're superstars and I'm 100% confident that the rest of the Hatherleigh community will whole-heartedly agree with me

The Youth club normally takes place on Friday Nights between 7pm–10pm. Year 5+6 (9-11 yrs.) 7.00pm - 8.15pm and Year 7 onwards from 8.30pm.

It has been great to see the children grow up and progress through their young lives, enjoying the freedom of Friday night's where they are free to run around, eat too many sweets and generally have a great time playing with their mates after their long week at school.

Unfortunately unless we can find some volunteers to replace the Committee, we will not have sufficient staff to run the Youth Club safely. I've been involved in the running of the club for over 10 years and will be sad to see this come to an end

Ideally we need 6-8 core staff / committee members for the Youth Club to continue. If you are interested in helping out then please give me a call / send me an email.

Look forward to hearing from you soon

## **Congratulations to all those responsible for the Hatherleigh Unlocked weekend.**

The weather was extremely kind to everyone who attended this fun-packed, entertainment filled weekend. Money raised will be going to the worthy causes of Devon Air Ambulance, Multiple Sclerosis Trust, Hatherleigh Football Club and Hatherleigh Brownies. **Thank you and well done to everyone.**

### **Afternoon tea**

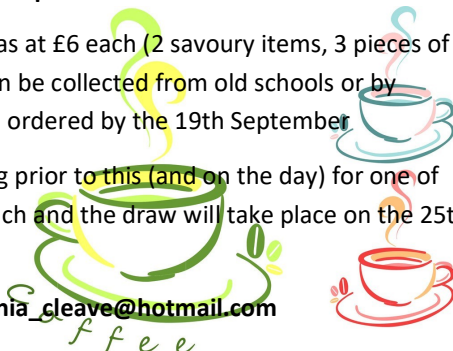

My niece, Sonia Cleave, had been lucky enough to be offered a last minute place running the London marathon in aid of the British Red Cross. As some of you will be aware I lost my brother last year, aged just 53, and he worked tirelessly for the British Red Cross and was passionate about the charity.

**On Saturday the 25th September we will doing afternoon teas in old schools from  
2.30pm-5pm**

We are also offering takeaway afternoon teas at £6 each (2 savoury items, 3 pieces of cake and a scone, jam and cream). These can be collected from old schools or by mutual arrangement but will need to be pre ordered by the 19th September.

There will also be a raffle which I am running prior to this (and on the day) for one of three hampers. I am selling squares at £2 each and the draw will take place on the 25th September during the afternoon teas.

# STORM FRONT

A GRIPPING DETECTIVE THRILLER

ISBN  
9781913913137

RRP: £8.99

Valerie Stone has two possessions, a vintage Jag and an old watch. She smokes too many French cigarettes, rents a houseboat on the Thames and keeps male admirers at arm's length. Investigating the lucrative and mostly legal, she's been a private detective for the last four years. And before that? Well, that's her business.

Money has been tight of late, but a sizable pay-out from an insurance investigation could level things up, at least for a while. When a body is washed up on the south coast, it seems a straightforward case of death by misadventure. That is until she finds herself blackmailed by a covert organisation looking into the same incident.

Silence mixed with misinformation leads Valerie, and those around her, into a very dirty storm.

## Hatherleigh Methodist Church

**Hello everyone,**

On Monday August 9th, a beautiful Thanksgiving service was led by Mrs Angela Banfield for the life of Mrs Phyllis Cole. We all reflected on her happy smile and her love of the countryside. Angela also led another funeral on Wednesday 11 August for a long time member of the Hatherleigh Methodist, Mr Richard Goaman. It was wonderful to see the chapel full of people.

Our services for September are as follows: 5th, Mrs Vicki Brown (11.00) 12th, Rev. Jerry Cook (11.00). On the 19th, we are holding a Harvest Festival with our new circuit minister Rev. Chris Jackson at 11.00. The all age Family service will be held on Sunday 26th at 4.00.

We are holding a special welcome service for Rev. Chris Jackson on Wednesday 1st September at 7.00 p.m.

**A warm welcome to you all!**

**Cindy Squire**

## Conservation Communities - Wildlife Spotters Challenge

### July, August and September

Help us to build up a picture of Devon's wildlife by telling Devon Biodiversity Records Centre ([www.dbrc.org.uk](http://www.dbrc.org.uk)) what you have seen and where.

**Devon**  
Wildlife Trust

#### Wildflowers

**Black knapweed** is great for insects and, along with some other key plant species can be an indicator of good habitat quality in meadows. Knapweed flowers have a thistle-like appearance. They are pink/purple and have a round bract underneath. Black knapweed has simple leaves and the flowers are 15-20mm across.

#### Birds

Swallows, Swifts and House Martins

All these species are summer visitors to the UK, spending the winters in Africa. They are all dynamic and agile fliers, with sharp wings and forked tails. Here's how to tell them apart:

**Swallows** have dark, glossy backs, pale underparts with a red chin. They have long, fine tail feathers. Swallows build cup-shaped nests in barns. They will often perch on phone wires.

**Swifts** are large, with a wingspan up to 48cm. They are dark brown, apart from a white patch on their throat. The tail isn't as forked as a swallow's. You can hear their screaming calls in the mornings and evenings as they catch prey high in the sky. They don't build exposed nests and don't perch – they have tiny legs and feet!

**House martins** are the smallest of these three species, measuring up to a 29cm wingspan. They have glossy blue-black backs and white underparts, including their throats. They also have a white patch at the base of the tail. Their tails are the least forked. House martins build mud-cup nests on the outside of buildings, often in groups.

## Reptiles

We'd like to hear about any reptiles you see.

**Slow worms** are lizards who have lost their legs through evolution. They are our most common reptile and frequent garden or allotment habitants. Slow worms give birth to live young, which are a golden colour. Females have dark flanks and mature males can be silver with blue tummies! They are fantastic guests to gardens as they will eat pests.

## Mammals

Here are a couple of mammal species that are often seen, but not so often recorded.

**Bats** have their babies in June and July. For a few weeks, mother bats carry their young when they leave the roost at night. In August, when the young get too big to carry, adult

bats come and go from a roost as they keep check on their pups. We have 16 bat species in Devon. Bats appear just after sunset, hunting for insects. A pipistrelle bat (one of our smallest species) can eat thousands of midges in a night! If you see a bat, but don't know the species, you can still record it as "bat" with DBRC.

The photo shows a brown long-eared bat.

**Hedgehogs** are out and about at this time of year. You might hear their load snuffling in the evenings. Or find their droppings in the garden. Hedgehog droppings are usually very dark brown to black with evidence of partially-digested insect remains. They are sausage-shaped and can vary in length from 1.5 cm to 5cm.

## Amphibians

We'd like to hear about any amphibians you see.

**Common frogs** are often seen in spring, but are harder to spot in summer. Look in garden ponds and along water ways. Their colour is variable, but there is a dark patch just behind the eye and stripey legs.

## Ruby Country Calendar 2022

Ruby Country is publishing the fifth edition of the Ruby Country Calendar using photos entered in our annual competition. This year's winner is the cover photo of a bullfinch which was taken by Briony Cox, the Hatherleigh vet. The last two photos are also to be produced as Christmas cards, they are of Highampton Church and sheep also in Highampton. The youngest photographer is a tenth of the age of the oldest but they have all been very generous and allowed Ruby to use their work to raise funds, so don't forget to order your copies to keep or send to friends for Christmas.

### **Free Support to Help Farmers Navigate the Agricultural Transition**

Business Information Point are providing free, tailored one to one advice, webinars, and business skills development workshops to help farmers and land managers navigate the changes brought about by the Agricultural Transition.

Between 2021 and 2027, the government will gradually reduce and then stop Direct Payments. Instead, farmers will be supported to improve the environment, improve animal health and welfare, and reduce carbon emissions.

The move away from Direct Payments will be a big change for some farmers, so they will happen over a 7-year transition period to give time to plan and adjust. The Future Farming Resilience Fund has been funded by Defra to allow us to support farmers and land managers with this transition.

The support is free and available from September 2021 to February 2022 to any farmer or land manager currently in receipt of BPS payments and we can support farmers throughout Devon and Somerset.

Initially we will be running several free, local workshops to discuss the changes coming through the transition and look at new funding options, as well as planning strategies for the future, such as diversification and productivity improvements.

#### **The workshops we are running locally are:**

**Tuesday, 7th September, 7pm to 9.30pm at Lifton Community Centre**

**Thursday, 30th September, 7pm to 9.30pm at the Okehampton Business Centre**

All the workshops include a free buffet and refreshments.

Business Information Point has been supporting farmers since we began over 25 years ago and have built up a wealth of experience and expertise across all farm business types. Through this free support, we can tailor the advice to your specific needs and prepare you for the changes ahead.

For full details of the support and to register on any of the workshops please visit our website - **<https://businessinfopoint.co.uk/ffr/> or call 01837 659 059.**

## Two Moors Festival Concerts at Hatherleigh Church

As part of the Two Moors Festival's 'Arcadia Unlocked', it will be holding two classical music concerts in St John the Baptist Church, Hatherleigh on Sunday 3 October 2021 as part of their Dartmoor weekend (1-3 October).

The first concert starts at 3.30pm, entitled 'Waste & Renewal', and features Joby Burgess, one of Britain's most diverse percussionists, who not only plays traditional percussion instruments but also 'found' (i.e. recycled rubbish) instruments, hence the title of the concert. This promises to be a mind-bending and eye-opening event.

The second concert starts at 6.45pm and is entitled 'The Garden of Delights' featuring the early music vocal ensemble, Stile Antico. These twelve young singers form one of the world's finest vocal ensembles, renowned for vibrant and expressive performances and they will be performing their programme 'A Garden of Delights' which explores a selection of 'heavenly and earthly delights', from composers such as Byrd, Guerrero, Monteverdi, Palestrina, Praetorius and many lesser-known masters.

## Tuckers Plot

You may be thinking "what on earth am I going to do with all these runner beans and courgettes?" Well, add a few more ingredients and make a great Piccalilli. You can make it to your own personal tastes. Some people like big chunks, some like smaller but here's the basic recipe for 10 x 1lb jars:

6 lbs of various veg: cucumber, courgettes, runner beans, onion, green toms and cauliflower. I personally like more cauliflower but otherwise use equal proportions of veg.

Cut the veg to the size you like and put them in a big bucket with about 2 cups of salt or a bit more. Salt for 12-24 hours then drain off the liquid and thoroughly wash the salt out of the veg.

### **In your pickle pan put:**

6 oz granulated sugar

1 oz turmeric

1 oz ground ginger

a finely chopped thumb of fresh ginger

3 large green chilli's finely chopped. Mild or hot to your taste

1 oz dried mustard

a handful of mustard seeds

2 pints of white vinegar

Slowly heat this "sauce" and then bring to the boil. Add the veg and stir well in. Bring to the boil and then simmer for 10-15 mins.

Mix 1 1/2 oz of plain flour with a little white vinegar to make a thin paste and then add to the pan. Bring back to the boil stirring all the time. Turn down the heat and simmer for 3-5 mins. Keep stirring while the sauce thickens.

Jar into clean, sterilized, hot jars. (heating jars to 180 degrees for 5 mins will sterilize. Don't put the lids in the oven, just put in a bowl of boiling water) Lid while hot to heat seal and leave for at least 4 to 6 weeks before tucking in. This pickle will store for at least 2 years in a cool cupboard. I make LOADS of batches but I have never managed to keep a single jar beyond 2 years as we eat it all so I don't know how long it would actually keep for!

## Mini Meadows

September is one of your last chances to collect wildflower seed. You may wish to let the seed fall where they are and allow the meadow to develop naturally, or you can collect and re-sow your patch (or extend it) with seed you have collected.

Autumn is the time to cut and clear your mini meadow area. It is important to clear all the cuttings to prevent the soil nutrients from increasing (leaving the cuttings on the ground only benefits the grasses and dominant weeds, outcompeting the wildflowers in the future). You can continue to mow and clear the cuttings from now until spring.

If your Mini Meadow patch wasn't full of flowers this year, please remember that the long vegetation has still been of great value to wildlife and it does take a few years of good management to establish a natural wildflower patch. We hope you have found time to enjoy some of the sights and sounds of meadow life in the local Parishes this year.

### 5 reasons why long grass and meadow patches are helping our wildlife:

1. Long, uncut grass areas provide nature with a home, a feeding ground, nesting materials, shelter and protection.
2. Leaving a patch of long grass until autumn allows invertebrates such as grasshoppers and moths to complete their lifecycle. It also allows mammals such as harvest mice to finish their breeding season.
3. The seed from the long grass and flower heads provide important food for birds. You may have seen the goldfinches feasting on your patch in the last month. Leaving the seed for the birds can save you feeding them so much commercially bought foods (remember shop bought bird food is often intensively farmed or imported).
4. Longer grass helps to retain humidity and soil moisture, making it perfect for insect larvae and other soil invertebrates, particularly moth and butterfly caterpillars, craneflies, and sawflies. These provide protein for birds, bats, mammals, amphibians and reptiles – many of which are now endangered.
5. By leaving patches of long grass in gardens and along verges creates wildlife corridors. This works if we all provide a little section, allowing wildlife to travel in safety between good habitats for food, finding mates and populating new areas. This is especially the case for animals like hedgehogs.

ENCOMPASS TRAINING SOUTH WEST LIMITED  
Great Potheridge House, Merton, Devon, EX20 3DN T: 01805 603003

This is the first photograph of Hatherleigh that is recorded in our archive taken in 1855, the photographer is unknown. This shows the George Hotel formerly known as the George and Dragon, the shop at that time was owned by a Mrs Laffere and her son, this is now the Ruby Country Office and on the left part of the London Inn which is now a private house. The road in front was shingle, mud and potholes (rather like many of the roads around Devon) and the pavements as such were cobbled. Notice the graduation on the right which would lead to the old Market House and where stalls were set up on Market Day. Later the roads were levelled or built up and many of the cobbled pavements were lost.

The History Society are always keen to see photographs or postcards of Hatherleigh, even with a huge collection ourselves it is amazing how one will turn up on eBay or other sale sites that we have never seen before. If you have an elderly relative who has a box of photographs make sure you take time to get them to name the event or the people on the photos, we do get some passed to us and we have no idea who people are which is such a shame. The joy of suddenly finding a photograph of someone who is on your 'Family Tree' is uplifting as someone described it recently, when they discovered an ancestor on our website!

We are still aiming to start our meetings again on Monday 11th October in Old Schools at 7.30pm.

### **St Thomas of Canterbury, Northlew**

**Harvest Festival.** For various reasons we are not having our usual Harvest Supper this year. However, the Harvest Thanksgiving service on October 3rd at 6.30.p.m. will be followed by coffee and light refreshments and the sale of produce.

We in England are a huge population, perched on a not very large island, so let us thank God for our skilled, hard-working farmers and fishermen who keep going, through all kinds of difficulties , to keep the nation fed.

**P.O. Coffee.** For several years we have sold mugs of tea and coffee in the Churchroom on Post Office days. We are starting to do this again on Mondays. Not sure yet about the other two days. See posters.

**Books.** As the evenings are starting to "draw in" a timely reminder about our book sales seems appropriate . There is a table full of second-hand books in the Churchroom, mostly novels, but not all. Donations, however small are welcome for various charities. The current one is Shelterbox, which with the recent floods and earthquake will be sorely needed. We recently sent off £100 to the Hospice, bringing the total to various causes, since we started, to over £1000. The books are not battered old tomes, in fact some have rarely been opened. So, stock up now for the dark evenings.

### **Cream Teas at Jacobsowe**

We will be supporting Devon Historic Churches day on Saturday 11 September by serving cream teas in St James church from 2.30 to 4.30pm. We look forward to welcoming you back to our church once again after so many months of Covid restrictions. Do join us for a delicious Devonshire tea. There is ample parking by the church.

## HALLELUJAH!!! OKEHAMPTON SINGS AGAIN !

### DON'T FORGET .. OPEN EVENING OKEHAMPTON CHORAL SOCIETY

**Monday, September 13th 2021, 7.15pm., Fairplace United Church,  
Okehampton**

[Pandemic regulations permitting]

Do come and join us and celebrate the new freedom to sing! This taster session is open to all at no charge and we will do some popular pieces and extracts from Handel's 'Messiah'. Just come and make some music with us – it's been a long year! – and if possible please bring a copy of Messiah with you.

On the 20th September normal practice sessions will resume so if you enjoy a good sing and like making music with friendly enthusiastic people, give us a try. We sing and rehearse on Monday evenings at Fairplace Church Okehampton from 7:15 to 9pm.

We perform a wide variety of choral works in our local community and would welcome any voice, young or old. There are no auditions so why not come along and decide if you would like to join us.

## St. Michael and All Angels, Meeth.

Well, here we are, nearly into autumn, and it seems the sun has deserted us somewhat during August. Let's hope for a few nice warm sunny days before the end of September, to set us up for the colder months ahead.

SUMMER SOIRÉE held at the end of July, was a very happy eventful evening with a good many residents meeting for wine and nibbles, having a good old chat and furthering their friendships. A huge thankyou to all who came along.

### **DEVON HISTORIC CHURCHES DAY. (RIDE AND STRIDE)**

Will take place on Saturday 11th September. Sponsor forms are available in the church. This event is to raise funds for D.H.C who then distribute funds to churches in need of support in various ways. Half of all the monies raised will be returned to us towards the upkeep of our own church here. We have been blessed to receive several donations of help from D.H.C. in the past few years, and would like to support them now.

OUR PATRONAL SERVICE this year will be held on Sunday 26th September at 11 am followed by lunch in the Village Hall. All are most welcome.
