Hello Everyone,

Welcome to our double issue. This gives me a break for the next month.

Wow! Wow! Wow! I think everyone will agree that Hatherleigh Carnival was quite the spectacle and the weather was perfect. The floats, walking guys and afternoon entries were all stunning, all that hard work, stress and tears was well worth it. Everyone should be so proud of themselves.

How are we in December already. All the Christmas festivities will be beginning, from the switching on of the Christmas lights, the late night Christmas shopping to the Christmas concerts and Carols in the square, around the tree with the Hatherleigh Silver band.

A big thank you to the Christmas lights team who work hard every year putting up the lights to make our little town look festive.

As we move into 2025 we have lots of upcoming things to look forward to, please continue to support the pump for another year.

Deadline as normal 15th of the month.

Christmas isn't fun for everyone. It's not that it isn't a joyful, or hopeful occasion, but it's all the more of a sting when something packaged in glitter and gold and God, just reminds us of loss, or leaves you wanting, or opens past wounds.

Cheery note, Jonathan, 'thank you'.... I promise I'm trying to build that sense of anticipation and hope in all of our hearts this Christmas. (whether or not I achieve that, who knows!?)

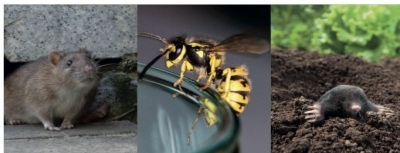

If you're anything like me, unless I feel 'heard' over my pains, I find it very hard to relax and enjoy myself elsewhere. I hope that in part, this is a small early Christmas gift to allow you to know that you aren't alone. Let's all acknowledge our pains, and not feel guilty over those things we can't control: our feelings, our past, our (lack of) budget for gifts, our (lack of?!) time to be around as much as we'd like at home, our (ill) health, or whatever detracts from your joy of the season. If you're a supercharged Christmas glitter warrior, perhaps that pain is just knowing that some people think you're a 'bit much', and don't seem to understand your joy!

But also, in acknowledging our struggles this Christmas, let's also take hold of those parts we may begrudgingly admit make us smile or feel goodness. However annoying it is to admit - this world, and this Christmas, is FULL of hope, and love, and laughter and good food and generosity of spirit.

I reckon poor Mary and Joseph, for all the 'hope and joy' of Jesus' birth, felt all the more scared and angry that they were being chased into another country from risk of murder, or not even given a proper bed for his birth. We don't celebrate Jesus because he had a 'nice Christmas', but because God seems to 'get' our struggles, and sent to us His own son, Jesus, as a light and hope for the world. A light and hope, that even when faced with death, lives on to this day.

There may have been tears that first Christmas, but there were also smiles and laughter, peace and hope. Perhaps there will be tears for you this Christmas. Don't give up hope that you may also be able to feel joy and love and hope alongside it. That's what Christmas is all about.

**God bless  
Jonathan**

# Hatherleigh

★ CARNIVAL • Est 1903 ★

We hope you all agree, but that was one amazing Carnival!

So many people have commented that they can't remember the last time they witnessed such a busy afternoon procession, with so many brilliantly creative walking guys, led by two very beautiful and original royalty floats. We hope that Queen Belle, Prince Harry and Princess Nora had a fantastic time - they certainly looked incredible.

The evening brought even more wonderment, with a fabulous total of six local floats! They were all glorious - five of them were gorgeously and intricately decorated. But it was the incredible Jolly Boys and their heart-rending, but equally funny and entertaining as ever, tribute to

Hatherleigh's wonderful King Andrew - they stole our hearts.

Our President, Jenny Dinnis looked delighted as she travelled around the procession in her decorated Gator - a well-deserved rest from all the years she's spent marshalling! Onlookers in the crowded streets were treated to an array of cheerleaders, Brass and Samba Bands, Street Entertainers alongside the 50 flaming torches, 24 floats and the many captivating walking guys.

The eagle-eyed may have notice that the tar barrels were bigger this year, which added to the spectacle.

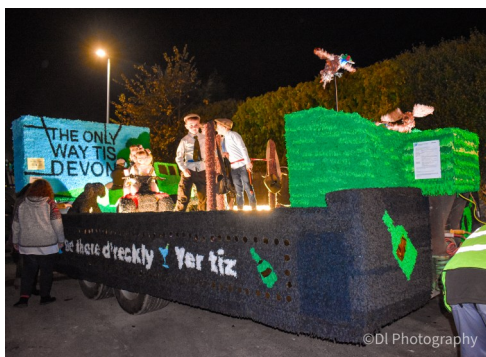

Revellers were able to enjoy some brilliant music provided by 3 bands and 2 DJ's in the square over the Friday and Saturday night. The Town Crier competition and hunt meet were enjoyed by many, while the judges went about judging the several brilliantly decorated shop windows and houses.

It takes **SO MANY** people to make such a successful event, from badges sellers - and buyers, float builders, costume makers, tractor drivers, float participants, walking guys, barrel and torch builders, marshals, stewards, judges, people who loan properties or equipment, those who put equipment out/up, photographers to entertainers - far too many to mention individually, but you know who you are...and we **THANK YOU**, so very much, we really could not do it without you. We would also like to thank everyone who support our fundraising efforts throughout the year, and of course, the hundreds and hundreds of stalwort spectators that line the streets on Carnival Day.

Our final meeting was after the deadline for this edition of the pump, so please check the Post Office and social media for the winning lucky badge numbers, financial report and results of the photo competition.

Thank you all again, we wish you a very merry Christmas and look forward to seeing you in the new year.

**Thanks again, Hatherleigh Carnival Committee.**

## **Hatherleigh Community Primary School**

The Autumn term continues to whizz along with the half term break now a distant memory.

Just after the half term break Y3 & Y4 had a visit from the Farm wise outreach team. The children thoroughly enjoyed finding out about different crops grown in Devon and the challenge of milking Daisy the cow.

The Carnival was a great day and it was lovely to see so many children and parents join in with the children's procession in the afternoon and on floats in the evening. The school was very pleased with being awarded second place for our crepe paper meadow display which complemented our sheep created through the David Jones art project.

On Monday 11th November, the whole school came together to remember those that had given their lives in the service of their country with a Remembrance assembly and two minutes silence.

YR have had a visit from the Police as part of their work on people who help us and all children participated in Anti Bullying week including wearing odd socks to recognise and celebrate differences. This was closely followed by a spotty non-uniform day for Children in need with the children completing activities and learning all about the important work of this charity.

PCSO Sean Jones joined us during Road safety awareness week to run class workshops and remind the children of the importance of Road safety and especially now as the mornings and evenings are so much darker.

Open school sessions have been planned for later in the month as we invite parents of children starting school in September 2025 and those new to the Hatherleigh area to visit school and see us in action.

The whole school is now looking forward to the run up to Christmas with thoughts rapidly turning to Christmas productions including a Nativity, Christmas play and Carol service.

As always, I would like to take this opportunity to thank everyone in the Hatherleigh school community; children, parents/carers, school staff and the governing board for all of their hard work and support.

**Alan Monger**

**Headteacher Hatherleigh Community Primary School**

**Hatherleigh Primary school** has been generously donated money from the sale of some of David Jones' art work by his daughter Sue. Art and creativity is incredibly important to us at Hatherleigh school and as well as our weekly Creative Thursday lessons we have undertaken several whole school art projects. Being a local artist we wanted to celebrate his artwork with a project that would last and could be seen by the whole community.

The wooden sheep were made by Ben Whiting and every child contributed to their class sheep. Chestnuts created their colourful design with fingerprints and handprints. Hawthorns were inspired by Van Gogh for their eye-catching sunflower design. Willows have been studying different leaves as part of their art unit this term, and as our classes are named after different trees, carefully drawn and painted leaves were the ideal theme for their class sheep. Poplars took the theme of numbers for their sheep with each child choosing their favourite number. Similarly one of Oaks' sheep is covered in the initial letter of the children's names and their 2<sup>nd</sup> sheep was inspired by David Jones' black and white sketches from around the local area. The inspiration for Beeches striking sheep was Chuck Close. Maples chose to reproduce David Jones colourful style for their intricate sheep. Chloe, one of our keen artists in Y6 wanted to create her own design and produced her own impressive black and white Dartmoor views. Miss Chauhan saved the last 2 sheep from a life in the art cupboard and painted them over the half term holiday.

Steve Attfield then spent 2 days over the holiday attaching them to the fence. Choosing which side to face outwards was tricky as the children have done an incredible job and we're really pleased with their finished result.

We would like to express our thanks to Sue Jones and her family for their very kind and generous donation which enabled the children to engage in this amazing art project and create our own school flock which we hope will be enjoyed by the whole community.

## The Night Sky December & January 2025

New Moon falls on December 1st and it is at this time that faint celestial objects are best observed. Things like galaxies and nebulae.

Jupiter is at opposition on the 7th of Jan. At this time it is visible all night long. Its closest point to Earth and its brightness mean that with a strong pair of binoculars you might pick out its four brightest moons.

Full Moon falls on December 15. New Moon again on 30th December.

December solstice, the first day of winter falls on the 21st. Days start getting longer from this point onwards!

January 13th is full Moon. January 29th is new Moon. Mars is bright throughout January and is visible as a bright red "star".

# News from around the Parishes

## **Exbourne, Sampford Courtenay & Jacobstowe WI**

In torrential rain, members braved the weather and visited Den Brook Wind Farm near North Tawton. We were welcomed by employees of Renewable Energy Systems, who explained their roles in the building and the maintenance of the 9 turbines which have been fully operational since 2016, producing 18 megawatts of renewable energy to meet the needs of approximately 9000 homes. Luckily the rain ceased, and members were able to get up close to these huge 120 metre turbines.

Members joined the Red Earth group meeting, and enjoyed a lovely evening hosted by North Tawton, with Victoria Graham from BBC Spotlight giving a wonderful talk about her life in front of the camera.

Our President Cherry welcomed Tracy Johnson to our November meeting who gave a very interesting talk on her work using mosaics, we were shown some of her lovely inspiring work and given a demonstration on how it is created. Members are looking to be shown how to do a simple mosaic at our own crafting day soon.

Tracy was thanked by Margaret, with Ethel winning the flower of the month and Maggie winning something made from lots of little pieces.

Our December meeting will be our Christmas Party, with entertainment from the Mariners Away.

We are holding a Xmas Bingo evening on Friday 29th November at Exbourne hall, with cash prizes, eyes down at 7.30pm, £6 on the door.

If you are interested in coming along to see how the WI works, please phone **07971413997**.

## **Hatherleigh Churchyard Volunteers**

There is a wonderful team of people who work behind the scenes keeping the Church and the Churchyard going and looking its best. This has been tricky over the last few months and while the disabled adaptations and plans for the kitchen and toilet area are under construction, there will continue to be some disruption. Please bear with us while we work to make the Church more hospitable.

We have plans to make the church more comfortable and to this end have been promised some funding to make some cushions for all of the pews. If you feel you have the skills to help with this, sewing the covers on, please let me know.

If you go in the church and see some beautiful flowers, this is all down to another team of people who, on a rota basis create their stunning displays. We are looking for someone to take over co-ordinating this as Claire, who has been doing it wonderfully for a number of years, is having to step down. I would like to take this opportunity to formally thank her for all the work she has put into arranging flowers herself and ensuring there are always flower displays, especially for special occasions.

Another person who has worked tirelessly polishing the brass, Pat, has had to move on, so if you feel you would like to undertake this task, I would be grateful to hear from you. Again, thank you very much Pat for your time and dedication.

We are so blessed with our wonderful surroundings. Gods gift before winter sets in.

### **Hatherleigh British legion branch.**

The branch would like to once again thank you for our continued support.

Our coffee morning raised £263.70 for the Poppy appeal.

It was lovely to see so many of you lining the streets on Remembrance Sunday as we paraded through town to the church to pay our respects to the fallen. Rev Leigh gave a thoughtful service with the wreaths being laid and the two minute silence being timed to perfection as usual.

After the service we marched to the community centre for some refreshments where Monica Jones and her helpers had outdone themselves with some fantastic food and drink.

We have been very lucky to have had Monica organise and cater on behalf of the Legion for Remembrance Sunday, and will be very sad to see her go, as this year is Monica's last year managing the after event for the Hatherleigh British Legion.

If anyone is interested in supporting the Hatherleigh British Legion with some light refreshments, we are looking for someone to step into Monica's shoes, please let me know, for all this is voluntary there is monetary remuneration for the refreshments provided.

Our next event will be a coffee morning early in the year dates TBC. And a Big Breakfast on 26<sup>th</sup> July 2025 at the community centre.

Thank you once again Hatherleigh for your support.

## **Hatherleigh Bellringers**

**We're nearly there.**

By the time the December Pump hits your doormat, we anticipate Hatherleigh's new bell frame will be under construction in the tower, and our bells will be back home and awaiting their rehang. We still can't give the date for our 'first ring' but there's a good chance it will be before Christmas.

The project has been a very long haul for the bell team. At some time in 2019 we discussed the problems we were having with the old oak frame and long ropes, but plans to put these right were frustratingly halted by Covid. Fundraising for the £75,000 we needed was eventually started in late 2021, independently of the church's own restoration project. Much of the tough, physical work in clearing the tower and moving the old frame was undertaken by the ringers themselves.

In mid-November two ringers visited our bellhanger near Bath to see the new steel frame under construction - you may have seen the photos on Facebook. At long last, we could see that our goal was nearing completion. Constructing the frame and rehangng the bells will be undertaken soon by two professional bellhangers with, again, the assistance of Hatherleigh Bellringers. We can't wait to get back into the tower once more to ring bells for Hatherleigh Parish Church - and all of you.

Thanks to Reverend Leigh, a Service of Dedication for the bells will be held early in the New Year and we will be organising a celebration event.

We would like to thank every one of you who has helped and encouraged us to reach our goal. Thanks go especially to Reverend Leigh, the PCC, and to those who have supported our project with many generous donations and so much practical help over the last four years.

## **Sheila Richardson 6/4/1930 - 27/10/2024**

Sheila died in North Devon Hospital after a fall at home. Sheila suffered from dementia after a knee operation and did very well until the pandemic in 2020.

She became a nurse at 17 in Chelmsford, Essex. In Surrey she worked as a midwife and a health visitor and was very active on numerous bodies which lead to her involvement as an advisor on various London committees, working in Strasburg, France and later in Europe in studies on child and old age care.

Sheila also went to East Berlin on a Russian women's group invitation. She started retirement seminars for the NHS in Surrey and Devon. Here in Hatherleigh, she was involved with many clubs and the WI and set up a phone line for the husbands with wives going through the menopause.

On the 9th December 2024 a celebration of life will be held for Sheila by our children in Old Schools, Hatherleigh. Afternoon tea will be available from 2pm onwards for all her friends and family.

### **Hatherleigh Poppy Appeal 2024**

I would like to thank everyone that donated to the poppy Appeal. This year's poppy appeal has been such a success raising a total of £4292.17. We have expanded our appeal area which now includes Meeth, Merton, Iddesleigh and Exbourne.

The money raised goes to support for members of the Royal Navy, British Army, Royal Air Force, veterans and their families. By donating to The Royal British Legion, you're helping us to help those in need within the Armed Forces community; serving and ex-serving personnel and their families. Once again thank you

## **The Hatherleigh Sketchbook Show**

The idea is to show the incredibly diverse interests, ideas and talents of Hatherleigh residents at the Hatherleigh Festival 2025, through a sketchbook project.

The sketch book can be filled in any way you like: from botanical watercolours to song lyrics, poetry, cartoons, collages, political journalling, recipes, cut it up and stick it back together again .... Return to it every week or fill over several months or a long weekend. If you would like to use the sketch book traditionally as your own place for drawings and ideas, or with your family or a friend to work on a project, or completely random acts on each page - It really is up to you.

We welcome group or club projects and you can fill more than one.

We will all use the same style sketchbook - it is an A5 book with 140g Seawhite paper and a black cover. 40 pages (20 sheets) You can buy one from me, the Pottery, or the Post office, for £2. If you wish to remain anonymous that is ok - but you will have to tell me (I'll keep it quiet) so I can make sure you get it back! And please don't include deliberately offensive material.

Sketchbooks will be displayed on tables running the length of the upstairs room in Old Schools.

Your finished book will need to be delivered in late June for the Festival exhibition, after which you can take it home - or possibly loan it for a small touring show.

If anyone would like to loan an artist's sketchbook to show at the exhibition, we would be very happy to include a display of those too.

Over 12's please.

There will also be a construct your own bespoke sketchbook/journal/notebook workshop as part of Hatherleigh Festival.

### **Guess Who - The Self Portrait Show**

An exhibition of who we are in Hatherleigh in 2025.

On the walls of Old Schools we will be presenting an exhibition of self portraits, painted, drawn, printed and sculpted by you and of you, and a selfie wall for photos.

Please think of the term self portrait in the broadest sense - it doesn't have to be a study of your face. For example, If you work with your hands and would like to draw them to represent you, then please do.

All 2D non selfie work should be framed and have D rings on the back for easy hanging from the picture rails. More details nearer the show. Young children's work does not need to be framed and will be shown on boards and tables.

Open to all ages and abilities - this is community fun, you will not be judged!

Email: [claireglads@gmail.com](mailto:claireglads@gmail.com) if you have any queries.

## Hatherleigh Silver Band

It's always very busy in the lead up to Christmas and this year is no exception. We enjoyed performing at our Autumn concert in the Community Centre and thank you to all those who came and enjoyed the music and cake.

We are holding a **Bingo evening on Nov 30<sup>th</sup>**. Please do support us, we look forward to having a fun evening. Our first **Christmas concert is on Saturday 7<sup>th</sup> December at 7.30 in Hatherleigh Community Centre**. Our training band will be performing at this and we are very proud of the progress they are making. Do come and support them...(and us!)

We are going to have a second **Christmas concert in Hatherleigh Parish Church on Friday 20<sup>th</sup> December at 7.30**. This will be a more traditional evening and we are hoping it will be candlelit...there may be some fairy lights too. All are welcome and we will be mulling some wine and possibly some cider.

Apart from that look out for us playing carols in the square and roundabout the local area.

As this edition is for January as well, I want to tell you about our **open rehearsal on Thursday 23<sup>rd</sup> January in the Methodist Church at 7.30**. This is for anyone to join in or just come to listen. It will be very informal and we are hoping that you might be encouraged to join us for the whole session (until 9.30) or for a shorter time.

Advance notice of a very special **concert in Hatherleigh Parish Church on Saturday 15<sup>th</sup> February**. We have secured a world renowned trombone soloist **Nick Hudson** to play with us. This promises to be incredible. Please put the date in your diaries and more information will be available in the new year.

May I take this opportunity to wish you all a very happy Christmas.

Best wishes

**Jane Fawcett (07794793003)**

## Tuckers Plot

'Tis soon the season to be merry..... 'tis also the season to buy too much, eat too much and very often waste too much, so here's an excellent, tasty recipe to make your Christmas Day leftovers into something really special.

### **Cold Turkey and Ham Pie**

Firstly, do not assume you will be making this on Boxing Day; you won't! You may be too hungover, still too full and you will still have loads of other things to eat, so to ensure your ingredients don't get binned by leaving them in the fridge and then thinking better of using them, make a conscious decision to put these things aside in the freezer:

**Turkey meat, Ham, leftover pigs in blankets, leftover stuffing, even a tiny bit of bread sauce.** Work out the size of cake tin (preferably with a loose bottom) you are going to use and ensure you have enough leftover goodies to fill it. Separately store **stock from the bottom of the turkey and ham trays** (the stuff that's already going to jelly when the pan cools) You will need about 500ml. You could be really good and boil up your turkey carcass with a little water to make more stock.

When you decide "it's make the pie day" get everything out of the freezer and get the following other ingredients together for the loose filling:

**1 large onion finely chopped and gently fried in butter, ground pepper and finely chopped herbs such as parsley and thyme.**

Roughly chop the ham, turkey, sausage and stuffing and then mix thoroughly with the onion, pepper, herbs and bread sauce, making sure you have plenty of ingredients to fill your chosen tin.

## Moving on to the hot water pastry you will need:

375g plain flour, 1tsp salt , 135g of lard and butter mix, 195ml of very hot water

Melt the butter and lard in a saucepan and add the salt and flour to cook off, stirring all the time with a wooden spoon and finally add the water bit by bit over a very low heat whilst stirring vigorously. When it's all coming together, remove the dough from the pan and as soon as you can, knead your dough until it forms a smooth ball. You will need to work quickly as it must not become cold. Roll out a 1/4 of the dough to make your lid and the rest needs to be roughly rolled out and fitted into your greased tin. You will need to squish it in and up the sides using your fist and your fingers to bring it up the sides. You don't need to treat this like normal pastry, think Playdough and you'll be fine!

Put all your filling in the pie, gently firm it but not too much as you want little pockets for your stock to go into later so that your pie holds together when cut. Put your lid on then squidge and crimp your edges over the lid. In all, when your pie is ready to go into the oven, the base, walls and lid should be of equal thickness with no holes or splits.

Make a hole in the centre of the lid. I usually bake my pie with an old wide metal piping nozzle in the top to ensure it's easy to add the stock later. Brush with **beaten egg** and bake for 45 minutes at 180 degrees.

When the pie is cooked and partially cooled you can add the jelly.

Mix **20g butter** with your **500ml of hot stock** together with **1 sachet of powdered gelatine**. Slowly pour the stock in the top. You will find you need to do this in stages and wiggle the pie around as it will filter down and spread throughout the pie. You may need to come back to it a few times but don't stop until it is impossible to add more stock.

Refrigerate your pie and leave until completely cold. If you make it in the morning, you may be able to pop it out and cut it in the evening but it is probably best to make it one day and eat it the next.

Serve with salad, pickles, chutneys or coleslaw..... and friends, but if you have more pie than friends then you can slice, wrap in greaseproof, bag and freeze for lunches later.

p.s. I did try layering my pie once so it looked "pretty" but the layers stop the stock filtering through properly and it fell apart when I served it... so don't bother with pretty, just do tasty!

## Repair Café year one: a great success!

Hatherleigh Repair Café celebrates its first anniversary this month, and what a year we've had! It's been a hugely popular addition to the community, with **145 items** brought in for repair, **75%** of which we have mended.

Together, the Hatherleigh community have **diverted 0.3 tonnes of waste from landfill and incineration** – that's more than **1 tonne of carbon emissions avoided!** This has been a fantastic first year. We want to thank all our supporters and volunteers because we couldn't do it without you.

## **New Church Electoral Roll**

Every six years the Church of England asks every parish in England to make a new electoral roll, starting from scratch, and 2025 is the year for doing this. Everyone on the old roll comes off it and both those who are now on it and wish to rejoin as well as anyone wishing to join for the first time (providing they qualify) need to fill in a form in the new year so that the new roll can be completed and displayed for two weeks ahead of the next APCM in the spring. Being on the roll enables you to stand for the PCC or as a church warden and maybe to take part in decision-making within the Church of England's synodical governance. It's sometimes hard work being on the PCC but also very rewarding when one sees the fruits of one's labours! And certainly at Hatherleigh Church at the moment, there are new and exciting things happening every week. So if you have a little time and energy to spare then do consider joining the new roll and getting more involved with what we do!

***Sally Vick, Electoral roll officer for Hatherleigh***
