Hello Everyone, This month I would like to give this page to Harry Winearls who has been designing our front covers each month...this month's is one close to his heart with the beginning of October being Dyslexia Awareness Week! Donna Lewis Editor

Harry says...

For me, dyslexia makes my head feel messy and foggy - I have to try and unravel the text I'm reading. The words bounce around on the page, I read words and letters back-to-front, or even rearrange the letters to form a completely different word, like 'felt' becomes 'left'. I lose my place, sometimes skipping a line, or reading the same one again.

When I created this piece, I made a question mark out of a messy ball of wool and imported it into my hair, to show how my head feels woolly when reading. The page is filled with tangled wool that form words here and there, showing common issues I have with words. The word 'dyslexia' is clear because it is behind my coloured overlay, which helps me to keep the text clear and helps me to keep my place.

Hello!

My name's Judith; Will and I moved to Hatherleigh in 2021 and we're so glad we did! Leigh asked me to write this month while he's away, so here I am. Well the kids have been back at school for a week as I write, and the weather's turned colder (did it ever really get warm this year?). New term, new season... time for a clean start.

All of which meant I couldn't put off clearing up the drive any more. As I worked my way through the beech mast, moss, weeds and the crud in the drain, something struck me like it often does when I'm working outdoors or walking. Here were these weeds I didn't want putting their wretched little roots down and breaking up my tarmac and I was doing my darnedest to get them out. But right alongside them were a couple of lovely things putting their little roots down into the same stuff, but... well, I wanted **them** to stay. A cute forget-me-not that will cheer me up next spring, and some of the mexican fleabane I've tried **so** hard to get going (currently popping up on RHS ads on Facebook – I am **so** on trend!!).

Life's a bit like that... good stuff and bad stuff do grow alongside one another. I lost both my parents in quite a short time, and was lucky after that to be able to take some time out and think some things over. I reckon some fairly rubbish stuff has got rooted in my life over the last few years, which isn't that surprising. Life was one constant juggling of everything and things got a bit out of control. Maybe some ways I did things were coping mechanisms. But it was good to take a hard look at the things I don't really want to **stay** rooted in my life, and actually do something about it. And then there are some other things that I can see are growing in my life now that I actually **want**, that just make me a better person... and those things need a bit of intentional encouraging.

It's never easy to make changes – old habits die hard. I'm really grateful that God is there for me and wants to be involved in the changes I'm making, or I'd soon give up. I'm so glad I can to ask him for help on the days when it would be easy to slip back into the ways I've done things for so long. He wants us all to reach the full potential he made us for, so don't be shy about asking him to help you be that person, changing for the better from the inside out. And if you want a listening ear or a helping hand along the way, have a chat to Leigh or Jonathan or a friend you know will be on your side.

Here's to a flourishing and less weed-y autumn!

New school year at Hatherleigh Community Primary School

I would like to warmly welcome everyone to a new school year and especially to new children, families and staff joining us for the very first time. It was lovely to see everyone after the Summer break and hear stories of trips away, days out and adventures in the back garden.

The school team has worked incredibly hard during the Summer break preparing for the start of term and I would like to take this opportunity to thank them.

Harvest has been celebrated with a visit to the Methodist church where each class presented a variety of songs, poems and art work and items of food were donated to a local food bank. Thank you to Revd Chris and the Methodist church for making us very welcome.

At the end of September the school will be taking part in our annual whole school walk on the Broomford estate, we are all looking forward to this special event where all classes come together to enjoy a walk and experience the fauna and flora of the estate.

The Summer holidays already seem a distant memory and despite some very heavy showers, some days of late summer sunshine have been a real bonus and enjoyed by everyone at school.

A busy term lies in front of us and we are all ready for the challenge.

The Night Sky October 2024

Nights are now noticeably longer. New Moon is on October 2nd. It is at this time of the month that deep sky objects are best observed. Fainter astronomical objects like galaxies and nebulae. The main celestial event this month is the Full Moon which is also a super moon. It occurs on the 17th October. The moon will look larger and brighter when compared with a normal full moon. The October Full Moon is known as the hunters moon. The draconid meteor shower is also visible between the 6th-10th and peaks on the 7th. There aren't too many meteors visible with this shower. Peak rates are about 10 meteors per hour.

News from around the Parishes

Exbourne, Sampford Courtenay & Jacobstowe WI

Caryl Gibson was welcomed to our September meeting by President Cherry. Caryl told us that she had decided to step aside from her career twenty years ago and enrolled at a Cordon Bleu cookery school. We enjoyed watching as she cooked Chicken breast stuffed with herbed cheese and a mushroom velouté. Explaining as she went along the meaning of Cordon Bleu, and how the blue ribbon signified the highest order of chivalry, in the reign of Bourbon Kings in France, and how French Chefs wore a blue ribbon tied around their neck to distinguish them from their colleagues. They were known for their culinary skills and commitment to excellence. The smell from the pan made all our taste buds salivate and fortunately, Caryl had cooked enough for each of to savour her excellent dish, leaving very clean plates! The winner of flower of the month and favourite cookbook was Heather. Over the next couple of weeks, we will be celebrating 90 years of the formation of our WI, with a Lunch at the New Inn, Sampford Courtenay, a walk around Haywood woods, and a visit to Denbrook Wind Farm. Our October meeting in in the afternoon at Exbourne Hall, is Devon Fire and Rescue, with Steve Fisher, who will talk on Home Fire Safety. Come along and see what the WI has to offer, you might like to join us.

Hatherleigh Churchyard Volunteers

Well the weather was good following the churchyard grass being cut. You may notice a couple of areas which have been left as breeding grounds for the rare Marble White Butterfly. Thank you to all those who turned up to rake and remove the cut grass, it is a mammoth job. We are grateful to each and everyone of you.

We are being given some wild flower seed mix to use in the churchyard by Devon Wildlife Trust. If you are interested in helping with this, please let me know.

It has been fun watching the antics of the otter, thank you to those involved in this.

Not Churchyard news but a plug for the International Harvest Dinner on Wednesday 2nd October following a Harvest Service in Church at 6pm. The dinner will be in the Old Schools. This is in place of the traditional Harvest Supper and will be a celebration of dishes from around the world. The ticket price is £10 and you will be able to sample each and every one of them, if you want! Tickets available from the Salar Gallery.

St Michael and All Angels, Meeth.

Well the weather is definitely cooling down, the leaves are falling and nature is closing down towards a period of hibernation, but we've still got the wonderful colourful display of Autumn before then, with marvellous displays of red, russet and gold on the trees and hedgerows, its a truly beautiful time of the year. We are so blessed to live in such a wonderful part of God's creation.

THE CREAM TEA'S held in the Village Hall on Sunday 1st September in aid of Devon Historic Churches Trust, was a great success with many people from other churches in our Benefice attending. It was good to get together enjoying delicious home-made scones, cakes and tea and having a good chance to catch up with friends. A VERY HAPPY OCCASSION. Many thanks to all who came along and supported us and also to all who made cakes, served and helped in any way. THANK-YOU.

CHURCH BOOKSTALL.

We will be significantly reducing our Book Stall as the space will be required for forthcoming events. There will still be a small collection of books, either on the shelves behind the font or at the back of the table at the back of the church. There is also a large selection of books in The Bull & Dragon for people to choose from.

Please feel free to pause at your leisure – the church is open daily between 10am and 4pm.

BELL RINGING:-

A new lady has moved into the area and is keen to set up a team of bell ringers for our church. If you are a regular ringer or are keen to learn PLEASE CONTACT MARGARET – Email mafitzi@hotmail.co.uk

Hatherleigh History Society

please contact **Martin Hartnett 01837 810192** or **Monica Jones 01837 811293**.

The History Society were sorry to hear of the death of one of their founder members, Kathleen Lucy Sanders on Wednesday 11th September and send their condolences to Kathleen's family.

Kathleen was a well known figure in Hatherleigh, usually seen in her wellington boots having been tending her sheep, sometimes with a bale of hay on her back, or bringing the milk to the Coffee mornings at Old Schools along with a basket of freshly baked cakes or wandering around the church yard with pencil and paper in hand making notes. She was a devoted member of St John the Baptist Church all her life and also belonged to the Bible Society. Kathleen was a friendly and very kind lady, a stalwart of the History Society, it is without doubt that we have such a great archive thanks to her work and her time which she gave to the Society.

A full tribute can be seen on our Facebook Page together with SOME photographs by George Tucker.

The next meeting of Hatherleigh History Society is on Monday 14th October in Old Schools at 7.30pm, this is our AGM. We would ask that as many of our members attend as possible as there will be some suggestions of changes as a way forward for the Society, perhaps in a different format, these changes will need to be voted on. We welcome others to come along to the meeting who may have an interest in the future of the History Society but will of course be unable to vote. If anyone would like to make a suggestion or if there is a point you wish to raise so that it can be added to the agenda during the business meeting, please contact me before the 14th October.

Hatherleigh Bellringers

With recent word from the bell hanger in Somerset, Matthew Higby, that our new metal bell frame was well under construction attention was turned to preparing the inside of the tower for its arrival.

This has involved the creation of 'pockets' in the stonework to accept the foundation beams and concreting of level pads to Matthews specification to provide a stable surface for the new frame to sit on. The work was both laborious and messy and was another great team effort from the ringers who were lucky to have been assisted by David Meardon and Matt Wonnacott. Massive thanks to them both for their time and expertise. With the work to prepare the tower now complete we are ready to fit the new frame and eagerly await its arrival. We are hopeful that by next months Pump we will have dates on when the frame and bells will return to Hatherleigh.

We are also pleased to report that we have just taken delivery of our new set of muffles. Muffles are traditionally made of leather and attach to the clappers to 'dull' the sound of the bell at such events as funerals and Remembrance day. Our old set was in a bad state of repair and, with much Gaffer tape and many cable ties required to keep them secured and functional during use, fitting them whilst lying under a large bell was awkward at best! With the new ones being secured by velcro straps fitting the new set should be a lot simpler. We would like to thank the individuals who made a donation specifically to cover the full cost of the new set of muffles.

As we move closer to Christmas a reminder to check out the wooden items made from the the old oak bell frame we are selling. More items will be added very soon including some turned items, so keep an eye on our Facebook page and remember don't leave it too late as we are rapidly using up the timber and once its gone its gone!

Hatherleigh Silver Band

I am writing this on the day following the Cider and Pasty evening in the square. Thank you everyone for turning out and supporting us. We certainly picked the right weekend for it – a warm (ish) evening and dry. We really enjoyed ourselves and it looked as if the audience did too. Our next concert is in Reading on 28th September, where we are part of a 'British Bandsman' series of concerts and will be playing with some of the very top bands in the country. Down to earth and we are looking forward to an 'Open Rehearsal' in the Methodist Church on Thursday 17th October at 7.30. This is to invite anyone in the area who has played a brass instrument (or percussion) to come along and sit in on a rehearsal and play in the band. Do come to our Autumn concert in Hatherleigh community centre on Sunday 3rd November at 3pm. We have found that people enjoy an afternoon concert and hope this will suit. Following that you will see us at the Carnival and the Remembrance Parade.

We will be holding a Bingo evening on Saturday 30th November in the Community Centre so mark the date and come along to have a foretaste of Christmas!

We are in the process of updating our website but do check it for future events and news of what's going on. Please get in touch if you have any questions, would like to book us for an event or would like to join us.

Best wishes

Hatherleigh Methodist Church

What a marvelous time we all enjoyed, celebrating the harvest this year (even though, the harvest wasn't completely 'safely gathered in!' at the time.

On Friday 13th, the whole of Hatherleigh Primary School held their harvest festival in the chapel. Rev. Chris welcomed the school and chaired the celebration. This included each class either singing, reading beautifully created harvest poems or acting out the parable of the sower! The celebration concluded with facts about the apple harvest.

Then on Sunday 15th, Professor Michael Winter celebrated the harvest with a large congregation, encouraging us all to do our bit to try and look after God's world; to shop mindfully, including buying local whenever we can, to purchase fairtrade products, to give graciously and to share our abundance with those less fortunate. This service was followed by a very tasty 'bring and share' lunch.

At both services a collection for the local food bank was held. A massive Thank You to everyone who gave any produce to help others who may be having a difficult time at this moment.

Due to demand, we are holding a Songs of Praise on Sunday 20th. Do come and enjoy singing both traditional and the not so traditional hymns with Ruth James.

Tuckers Plot

Parsnip and Orange Tray Cake

If you have a couple of parsnips hanging around in the fridge or you've had a bumper crop this season and you've already blanched and frozen enough for roasties, stews and curries for the whole year, made soup and you are looking for something a little different to do with your parsnips then this is a perfect recipe; it may sound a little weird but then carrot cake is a favourite so why not give parsnip a go.

You will need:

140g finely grated parsnip,
100g sultanas,
Zest of 1 large or 2 smaller oranges (hold back a few thin sliced shavings for top and the juice for the icing),
175g soft brown sugar,
175ml sunflower oil,
3 large eggs,
175g self-raising flour,
1 tsp bicarbonate of soda,
1 tsp ground cinnamon
1/2 tsp ground nutmeg
For the icing:
175g icing sugar
The juice of one of the oranges

(may need adjustment dependant on size of orange)

Thoroughly beat your eggs and then incorporate your sugar and oil. Add the parsnip, sultana and zest. Add the flour, bicarb and spices bit by bit and mix well in but don't over do it as this can make your sponge tough.

Lightly grease a 7" x 11" tray and line the bottom with a piece of greaseproof paper.

Pour in the mix and cook for 25 mins at 180 degrees

When slightly cooled and out of the tray, drizzle over the mix of orange juice and icing sugar. Leave to completely cool before cutting into pieces.

Own a Piece of Hatherleigh History

A couple of weeks ago the bellringers posted on Facebook with details of wooden items we are making from the 1883 oak bell frame. We have nightlight holders and candlesticks to offer at the moment and it's no exaggeration to say we have been inundated with orders. But if you aren't on Facebook you won't have seen them, so we are posting information here too.

There is a finite amount of wood in the old frame, and when it's gone, it's gone. As it becomes clearer what wood will remain after the first round of orders, we will repurpose it for different items which may include clocks, door wedges, door stops and coasters.

Pieces will be made to order and permanently marked with our unique authentication brand. You will also receive an information sheet about the wood with an edition number for your piece. We aim to make everything in time for Christmas but may be able to meet a specific date with prior agreement.

If you would like an info sheet with more images, please email Sadie Harrison who will also help with enquiries and orders.

Notes from the Council Meeting held on Tuesday 10th September 2024. The next Council meeting will be held on Tuesday 8th October 2024 at 7pm in the Community Centre.
For more information see our website www.hatherleightowncouncil.org/

Your 10 Councillors

Mark Reddaway (Chair/Mayor), Rachel Laycock (Deputy), Deb Laing-Trengove, Kay Walters, Donna Lewis, Richard Burrow, Sadie Harrison, Angela Capon, Clare Kemp & Jake Barrs

- One member of the public attended and asked Councillors to consider the lack of safe pavement space outside the auction rooms on sale days especially at the beginning and end of the school day. This will be considered by Councillors. If you have reports or photos of obstructions or poor parking please do get in touch with a Councillor.
- We are still considering how to make the School entrance safe for pupils and parents at the start and end of the school day. We have asked DCC Highways department to visit. We will also ask our new Police officers to attend the next meeting to ask their opinion. But can we remind parents not to block the road or to park in the Vets surgery parking spaces. Spaces are available in the Community Centre and the Town car park.
- We now own the Phonebox in Town. It will be painted and then used as a source of information for Residents. If you have ideas for its use please get in touch with a Councillor.
- Millennium Corner: We are still awaiting a response from DCC about the repairs needed. Photographs will be taken and sent to DCC to stress the urgency of repairs.
- Town Square: We are still awaiting information from WDBC in regards to the cost of repairs and insurance before we are able to decide whether we can afford to take ownership of the Square. Ideally we would love to own our Square.
- Hanging Baskets: These have now been taken down. Many of the baskets that were up were in a sorry state due to the lack of volunteers to care for them. Do residents want hanging baskets around our Town? Should they just be around the Square. What do residents think?
- Both bus shelters have been refurbished by Councillors, but the railings outside the post office still need to be painted. The area to the side of the Town bus shelter is in need of repair. We will attempt to find out who owns it and is responsible for its maintenance.
- The War Memorial is badly in need of repair. The render on the bottom skirt is cracked and missing in some areas. Councillor Barrs will inspect prior to repairs being carried out.
- Hatherleigh Market: The draft lease is now largely agreed. There was a delay in the glass sides delivery so there is a further delay. The internal fixtures and fittings cannot be installed until the structure is weatherproof. Kingswood homes have given an updated completion date of the middle to end of October. People who have previously pledged money to support the market are being contacted to ask if they are still prepared to do so. If you haven't already pledged but would like to please use the link below. Space is short here so please go to the Friends of Hatherleigh Market website for up to date information www.fhm-cbs.org
- 20 is Plenty Campaign: We have some larger posters to put up around Town. Councillors are still awaiting a date to undertake the training to complete this.
- The small bridge in Island Park is badly in need of repair. Does anyone have any suggestions of an attractive replacement here? For instance a safe feature rope bridge? A decorative metal bridge? Ideas and/or offers of help are needed please.
- **Space is short here. A full account of meetings is available in the minutes on the Town Council website and notice board in Millennium Corner.**
- **Correspondence to the Council should be addressed to the Clerk and for inclusion at a meeting be received 4 days prior to the meeting date. Correspondence received after that date will be considered at the following meeting.**
